Silent Hill Pc | Pc Silent Hill Arcade Pc Silent Hill Ep 1-3 - PC & PS3 Silent Hill Ep 2-5 - PC & PS3 Silent Hill Ep 3-5 Silent Hill is an award-winning survival horror game series. This is the third installment, released in September 2004, and is an adaptation of Team Silent's 1999 title. Silent Hill was marketed to expand the reach of the Silent Hill franchise by marketing the game as a realistic version of the popular genre. A strong focus was made on combining stories to match different characters and a wide range of locations. In Silent Hill: The Arcade Game, the first game in the series and the fourth installment overall, the narrative follows the same story of the other Silent Hill games, although altered in some areas. Silent Hill II (1998) Silent Hill: Origins (2005) Silent Hill 3 (1999) Silent Hill 3: Director's Cut (2003) Silent Hill: Shattered Memories (2009) Silent Hill 4: Shadow of the Colossus (2005) Silent Hill: Downpour (2014) The video games are about a young woman who is trapped in a town called Silent Hill, where her brother, trying to return a book to a library, disappears. The player controls the character who must solve the mysteries of the town to find her brother. Silent Hill 2 is the first installment of the series, released in Japan in 1997 for the Sony PlayStation. A version was produced for the Sega Saturn, but was never released outside of Japan. The game also got a single-disc Game Boy version, titled Silent Hill: The Arcade Game, released on December 4, 2004. A small but vocal group of conservative lawmakers are calling on two federal agencies to investigate the Electoral College process. "There was no fairness. Hillary received more votes than any candidate in history. The citizens of the United States were deprived of a direct vote of the Electoral College and forced to submit to the will of the New York and California voting blocs. This is contrary to our Federalist structure of government and to what we were told we were striving to achieve. The people have spoken and it is time for the Electoral College to be abolished," reads a letter from Rep. Peter King (R-N.Y.) and Sen. David Vitter (R-La.), the chair and vice-chair of the House and Senate election security task forces. It's not clear whether either of the two official election security task forces have taken up the request as of early Wednesday morning. Neither King nor Vitter tweeted that they delivered the letter to the House and Senate intelligence committees and their oversight of the Department of Homeland Security or the Federal Bureau of Investigation. In their letter to DHS, King and Vitter cite the DHS's Office of the National Counterintelligence Executive, Office of Critical Infrastructure Protection and the FBI's Office of the General Council's Threat Operations Division. According to the letter, Hawaii, a small state with few electoral votes, gave all of its electoral votes to Clinton. As a result, Clinton received all of the electoral votes of three states—California, New York and Washington—while Trump received only those of two states—Wisconsin and Michigan. The letter was sent this past weekend but leaked to press on Wednesday. It also outlines where other objections lie: The letter cites examples of activists from New Hampshire, Maine and Colorado complaining about a lack of transparency and the timeliness of the 3da54e8ca3
